Boulder Tennis Association

The Boulder Tennis Association (BTA) was established in 1967 by a group of local tennis enthusiasts who wanted to offer social and competitive play for all levels of tennis players. The purpose of the BTA is to encourage community participation in tennis in the Boulder area through leagues and ladder competition and formal and informal tournaments. Membership information: call BTA at (303) 442-4282 or online at www.bouldertennis.org.
